WE PROUDLY DEDICATE THE 1958

MR. Q. M. SMITH

It's a picture on the wall—a picture of a man; but, more than that, a personification of lasting success and consistent achievement in a career employed to advance improved education.

Yes, a rare occasion has presented itself to MTSC students as the products of a 47-year career lay before us for observation and example. The rarity of it? Our school has seen not only the climax and results, but also the initiation of such attainment.

In 1911, as Middle Tennessee State College (then the Normal) first opened, a young man entered in aspiration of an eventual teaching position. After studying here, he went to the University of Tennessee and later received his Bachelor and Master's degrees at Peabody College. After successfully assuming various teaching and administrative positions and being licensed to practice law, he became president of Tennessee Polytechnic Institute in Cookeville where he served for 18 years. Then, in 1938, when Middle Tennessee State College sought its third president, he was chosen to lead his Alma Mater.

MIDLANDER

Twenty years have passed and MTSC has seen distinct advancements under his leadership. Well thought-out plans for numerous additional campus facilities have materialized.

Noted throughout this territory for his enduring accomplishments, he has been recognized in Who's Who in America and by many official administrative organizations as one of America's outstanding educators.

Both a source and a product of MTSC's unparalleled educational endeavors, the effect of President Quintin Miller Smith's dedicated career does not end with his retirement—for many will look to him as an ever-enlightening guidepost toward complete and definite accomplishments.

Thus, to you, retiring President Smith, we dedicate the 1958 MIDLANDER with the hope that lingering memories of not only this, but the past 47 years will be pleasantly recalled as you continue to add color to your admirable picture of triumph.

FORREST HALL

The recently dedicated Forrest Hall is one of the South's finest R. O. T. C. buildings. Named in honor of the great confederate hero, Nathan Bedford Forrest, it houses the military science and tactics' classrooms, weapons room, and offices for the R. O. T. C. Cadre. Just pride is taken in this building as its facilities have enabled MTSC to receive a rating of outstanding for the past two years in Federal Inspection.

The Memorial Gym is dedicated to the alumni killed in World War II. Complete facilities for training Physical Education and Health majors are located within the confines of this building. It is also the site of many exciting athletic contests, the regional high school basketball tournament for example. Of course the Big Blue Raiders of the hardwood furnish many thrilling moments, also.

MEMORIAL GYM AND NATATORIUM

JONES HALL

Jones Hall is the residence of almost a hundred freshman boys. Named in honor of the first president of the college, it is one of the oldest buildings on the campus. Fall Quarter saw the departing of Mr. and Mrs. Charles Greer, who had served as Directors for the past four years. Mr. and Mrs. Marvin Rolman took over these duties in the Winter Quarter.

The residence of many upperclass mates, Smith Hall is the most recently constructed men's dormitory. It is named in honor of our present president of the college. This dorm also had a change in Directors. Mr. and Mrs. Bill Mac Jones resigned Winter Quarter in favor of their home state of Texas. Their duties are new being handled by Mr. and Mrs. Bob Hallum.

SMITH HALL

RUTLEDGE HALL

GIRLS GATHER IN LYON FOR CONFAB

The first "home" for many of the freshman girls is Rutledge Hall. The dorm is named in honor of one of the first house mothers at MTSC. Conveniently located, it is one of the oldest buildings on the campus. Mrs. John Bass keeps a watchful but loving eye on the girls who reside therein.

Lyon Hall is the "other half" of dormitory space for freshman girls. Of more recent construction than Rutledge, it was named in honor of the second president of the college. Mrs. Mattie Lee Parks is the friendly but firm housemother here.

LYON HALL

MONOHAN HALL

Monohan Hall, the newest dormitory on the campus, is "home" to the upperclass girls. Named in honor of a lady who contributed much to MTSC, it has space for nearly two hundred girls. To see that these girls receive the proper "mothering" two housemothers reside there. Mrs. Myrtle Sullivan and Mrs. Josephine Patterson are these two popular ladies.

Vet Village furnishes low-rent apartments to vets of our armed forces and their wives. Also available to the ex-G. I.s is a trailer park. These people make up a vital segment of the MTSC community.

ADMINISTRATION

Through the windows of Middle Tennessee State College, the observer may view a large variety of activities. Vitally important to our college is her administration, and scenes glimpsed through these particular windows are always vigorously active.

Under the expert leadership of President Q. M. Smith, enrollment of the school now exceeds two thousand students, and the value of the college campus has been increased by the addition of the new $450,000 Todd library and authorized additions to Smith Hall and a new Fine Arts Building to about $11,000,000.

MTSC, which was founded in 1911, today has twelve departments and offers a Bachelor of Science and a Bachelor of Arts degree, and a Master of Arts in Education. Members of the advanced Reserve Officers' Training Corps may qualify for a commission in the armed forces upon graduation.

From the office windows, our strong administrative staff can look out on the 604 acre campus and be proud to be cooperating in the rapid growth and development of one of the five state colleges in Tennessee.

GOVENOR FRANK G. CLEMENT

Governor Frank G. Clement serves as an outstanding example of an administrator with high ideals and deep religious convictions. As the nation's youngest chief executive, he may well serve as an inspiration to the youth of his state His great interest in the needs of Tennessee's expanding educational needs has encouraged leaders to improve opportunities for all citizens of the Volunteer State. In his term of office he may be congratulated for a job well-done.

BOARD OF EDUCATION

"The Board Guides the Policies of MTSC"

Seated are W. R. Landrum, Mrs. Ferdinand Powell, Dr. Quill E. Cope, State Commissioner of Education; Mrs. Sam Wilson, Ernest C. Ball, Miss Maud Holman, executive secretary. *Standing are* Mrs. Violet Parrish, principal stenographer; Clarence Kolwyck, Dr. Norman Frost, J. Howard Warf, James Williams, and Edward J. Jennings.

Seated left to right are Mr. T. B. Woodmore, Dr. Howard Kirksey, *President* Q. M. Smith, Mr. N. C. Beasley, Dr. Belt Keathley, Mr. Horace Jones, *(Standing)*, Mr. Gene H. Sloan, Mr. E. S. Voorhies, Major Q. L. McNary, Mr. W. E. Midgett, Dr. W. B. Bowdoin, Mr. Hilary Parker, Dr. Richard Peck, Dr. Francis Riel Mr. Neil Wright, Dr. J. E. Wiser.

ADMINISTRATIVE COMMITTEE

The Administrative Committee is the staff assisting the President in the college administration.

PRESIDENT Q. M. SMITH

During the administration of President Q. M. Smith there has been marked improvement in Middle Tennessee State College. Since Mr. Smith came to the college in 1938 there have been thirteen buildings added and the enrollment has increased to more than 2500. He has been outstanding both as an alumnus and as an educator. With this year President Smith completes a job well-done in a fine career as a leader. He will be remembered for his inspiring example to the student body and to the educational leadership of the area served by the college.

DEAN OF ADMISSIONS

There is no doubt that Dean N. C. Beasley is a versatile man. Since 1927 Dean Beasley has occupied most positions of administration on this campus. At the same time he has been recognized as a leader in state and national educational organizations. His B.S. and M.A. were earned at Peabody College. Since then, he has done post graduate work there.

DEAN OF INSTRUCTION

One of the principal duties of Dr. Howard Kirksey is the organization and supervision of the schedule and curriculum. Always in demand as a speaker, he spends much of his time at educational meetings. He received the A.B. degree at Union University, the M.A. and Ph.D. degrees from Peabody College. Later he did further graduate study at the University of California.

DEAN OF STUDENTS

One who works closely with the student body of MTSC is Dr. Belt Keathley, Dean of Students. The students consider him to be a true friend, especially when they are in need of advice. His duties include disciplining the students or offering them helpful advice when they have problems. Dean Keathley has been at MTSC since 1951 after receiving his Ed. D. from the University of Tennessee.

DIRECTOR OF PUBLICATIONS

Gene H. Sloan could easily be called our director of public relations, also. Not only is he a classroom instructor and advisor to student publications, he and his student assistants are responsible for publicity on the activities at MTSC. Through their efforts, thousands of press and radio releases are sent out each year.

BURSAR

Mr. T. B. Woodmore and his assistant, Mr. Jimmy Jackson, are a vital part of the administration. They direct the finances, collect student fees, and issue paychecks to employees on payday. Author of a book on financial administration, Mr. Woodmore has had much experience in this field.

DIRECTOR OF FIELD SERVICES

Robert Abernathy is constantly visiting high schools and encouraging students to come to MTSC. Besides his duties as head of the college placement bureau, he has many speaking engagements. An alumnus of MTSC, he has been with the administration since 1947.

EDUCATION DEPARTMENT

Dr. Wilmouth B. Bowdoin is the competent head of the Education Department. The members of this department think of themselves as a team. The bold outline of all courses is approved by all members but beyond this point the individual instructor is free to take advantage of unique opportunities for teaching in concomitant areas. The department is concerned with having clearly defined objectives for each course.

TRAINING SCHOOL

The Training School is the branch of our college where MTSC students majoring in education have an opportunity to do their practice teaching under the supervision of highly skilled teachers. It is an ideal place for those qualifying for a teacher's certificate in the elementary field to put to use as teachers the things they have learned as students.

Mr. Hilary Parker is the Training School principal.

Row 1—Mrs. Tempie Hansford, Miss Margaret Lowe, Miss Mary Frances Snell, Miss Anne Ashley, Miss Leneil Edwards, Mrs. Mary Manley. *Row* 2—Mrs. Laura Smith, Miss Marguerite Harrison, Mrs. Andreana Briney, Mr. Hilary Parker, Principal, Mrs. Clarence Greever, Miss Mary Bell Jordan.

BUSINESS ADMINISTRATION

The Business Administration Department is under the guiding hand of Mr. E. W. Midgett.

A potential business major may choose to do his work in one of three fields, Business Education, Stenography, or Business Administration. Many students begin their college careers under the instruction of the seven members of this department.

Modern equipment distinguishes this department. The business machines room is one of the most modern in the state. The department provides excellent training for business majors, and broader opportunities for general training.

Row 1—Mrs. Ruth Garland, Mrs. Henrietta Wade, Mrs. Elaine Parchment. *Row 2*—Mr. Earle Reece, Mr. E. W. Midgett, Mr. Hollie Sharp.

SOCIAL SCIENCE

With the world in such turmoil today, the desire of this department is that the students will gain the knowledge needed to live together peacefully.

A major in social science may be general or may emphasize one special field. Emphasis on economics, sociology, or geography will later pay the student a better wage.

Dr. Norman Parks, with a staff of fine instructors, leads this department in its continual growth.

Row 1—Mr. Billy Mac Jones, Mr. Clayton L. James, Miss Lillian Gray, Miss Ollie Green, Dr. E. B. Baldwin, Dr. Norman L. Parks. *Row 2*—Mr. Gene H. Sloan, Dr. Robert Martin, Dr. Robert Corlew, Dr. William T. Windham, Dr. Newell Moore, Mr. Firman Cunningham. Not present when picture was made: Dr. C. C. Sims, Mrs. Charlotte Allen, and Mr. Roscoe Strickland.

LANGUAGE ARTS

The Language Arts Department, headed by Dr. Richard C. Peck, works to make M.T.S.C. students proficient n reading, writing, and speaking.

Students gain experience in forensics under the direction of Mr. Boutwell, and in dramatics, three dramas per year are presented under the direction of Mrs. Tucker.

Miss Schardt imparts to the students an understanding and appreciation of foreign languages.

MATHEMATICS

Sputnik's introduction to the world created an even greater need for emphasis on mathematics, and M.T.S.C.'s Mathematics Department, with Horace Jones as head, considers the pre-engineering program one of its most important aspects. Also, in addition to the usual four year program of mathematics, the department offers courses in surveying, methods of teaching mathematics, and courses especially designed for business majors.

Row 1—Mr. Horace Jones, Mr. Roy Simpson. *Row 2*—Mr. Richard McCord, Mr. Burns Phillips, Dr. Harris Dark, Mr. Jesse L. Smith.

Miss Virginia Wilkinson, Miss Catherine Clark, Miss Sarah Moore, Mrs. Layde Brown.

LIBRARY

The beautiful and modern building one sees between the Science Building and Jones Hall is the new Andrew L. Todd Library. There are approximately 64,000 books, periodicals, and newspapers in the library collection. The building has three floors. The lower level contains the Library Service Department, Regional Library, a projection room, and faculty lounge; the second floor includes the main reading room, library offices, stack area, and lobby; and the third floor houses the periodical reading room, lecture room, Tennessee Room, and the Curriculum Laboratory.

MUSIC

Mr. Neil Wright, a talented musician and a very capable teacher, heads the music department at MTSC.

The Marching Band, under the direction of Mr. Joseph Smith, is the pride and joy of the school. It performed at all the football games of the season. The pep band contributed its talents to the basketball games.

Other organizations of the Music Department are: the Sacred Harp Singers, the chorus, the orchestra, the organ guild, the concert band, the woman's trio, the men's quartet, the string ensemble, the Saunderian Society, and Pi Mu Sigma.

The opera that is presented very year is of widespread interest to music lovers.

Row 1 — Mrs. Margaret Wright, Mrs. Ortrun Gilbert, Mrs. Rabye Taylor Sanders, Mrs. Tempie Hansford,. *Row 2* — Mr. Kenneth Pace, Mr. Horace Beasley Mr. Joseph Smith, Mr. Neil Wright, Mr. Charles Hansford, Dr. Phillip Howard.

Miss Margaret Putman, Miss Mary Carr Haynie, Miss Helen Stevens, Mrs. Lucille Estes, Mrs. Virginia Munice.

HOME ECONOMICS

The Home Economics Department, headed by Miss Margaret Putmam, is rapidly producing young home-makers. These young ladies receive superior training in various fields other than the home. Courses in dress designing, dietetics, home-demonstration work, interior decorating, and nutrition are offered.

Girls who are doing student teaching attend seminar classes directed by Miss Putman. All majors live in the modern home living center for one quarter.

AGRICULTURE

An outstanding addition to this department this year is the ten year expansion program of the college farm. A 150 acre tract of land has been added this year. It will be used as pasture land and for orchards, supplementing the 300 acre college farm.

As head of the department, Dr. Clarence Chestnutt directs a very modern and well-equipped agriculture center. Young men receive training in farm and home administration, soil conservation and technical courses, as well as training for the teaching of agriculture.

Dr. Clarence Chestnutt, Jr., Mr. Earl Young, Mr. Harold Pierce. Mr. B. B. Gracy, Jr.

Row 1—Mr. Charles Murphy, Mrs. Ethel Trice, Mrs. Betty Littlefield, Miss Buleah Davis, Dr. Francis Riel. *Row 2*—Mr. Joe Black Hayes, Mr. Ed Diddle, Dr. Elbert Patty, Mr. Charles Greer.

HEALTH AND PHYSICAL ED.

The Health and Physical Education department, under the leadership of Dr. Francis Riel, is one of the more popular on the campus. Here one can learn to dance, play tennis, give first aid, develop good dietary habits—or an even forty other things. Keeping fit and maintaining health are primary aims of the department. Implementing these aims provides enjoyment for both students and teachers.

MILITARY SCIENCE

Training in military science and tactics, with a commission in the Army as the objective, are provided by this department, headed by Major Q. L. McNary. A required subject for all freshmen and sophomores the department offers courses that develop charter and leadership in civilian and military life.

Row 1—Captain Thomas E. Adams, Major Q. L. McNary, Captain Robert E. Nelson, Jr., Captain Merrill W. Harper. *Row 2*—Sergeant Stanley E. Munsey Mast. Sergeant Leonard W. Huckeby, Sergeant First Class Ward A. Smith, Master Sergeant Charles W. O'Gwin, Sergeant Alfred B. Arnold, Sergeant, First Class William D. Swartz.

Row 1—Mr. O. L. Freeman, Mr. E. S. Voorhies, Mr. P. H. Dalton. *Row 2*—Mr. J. H. Gonce, Mr. John S. Wade, Mr. Neil Ellis, Mr. Harold Jewell.

INDUSTRIAL ARTS

The Industrial Arts Department, which is headed by Mr. E. S. Voorhies, emphasized creative manual dexterity. Courses give experience in drafting and in participating in the various types of shop work.

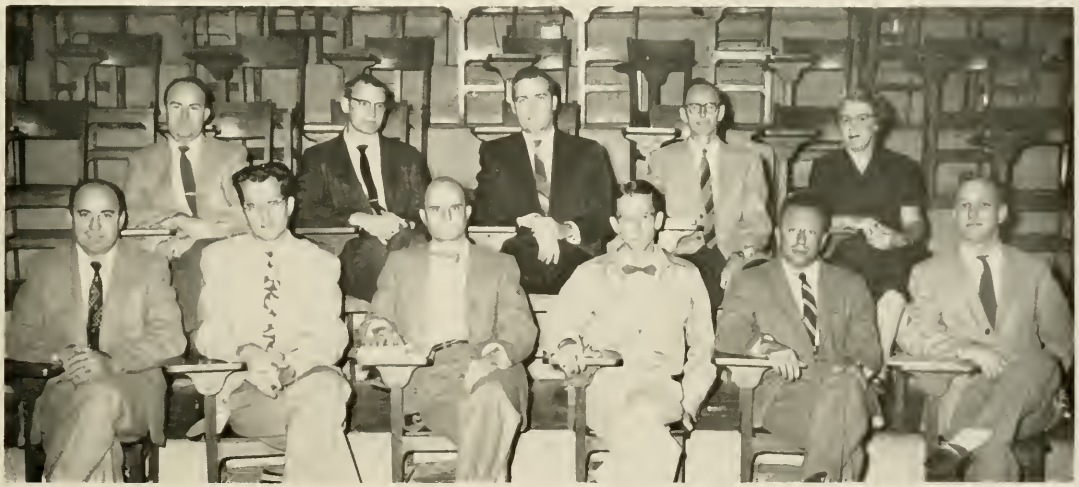
Six unit shops and drawing studios boast an impressive amount of equipment. MTSC probably has one of the best Industrial Arts departments of its size in the country.

SCIENCE

The Science Department is under the direction of Dr. J. Eldred Wiser. Students receive excellent training in this department, which makes special provision for pre-medical and pre-dental students. The department employs student assistants to help the professors and to give individual instruction to the other pupils.

The Biology Division of the Science Department, located on the third floor of the Science Building, is under the direction of Dr. Ellis Rucker.

Row 1—E. F. Strobel, John A. Patten, Ellis S. Rucker, J. Gerald Parchment, James H. Eads, C. Wymer Wiser. *Row 2*—Gertrude Van Zandt, J. Wade Gilbert, Exum Watts, F. Douglas Shields, Dan D. Scott.



Mr. Charles Brandon, Mr. Frederick Rubens, Mr. David Ledoux

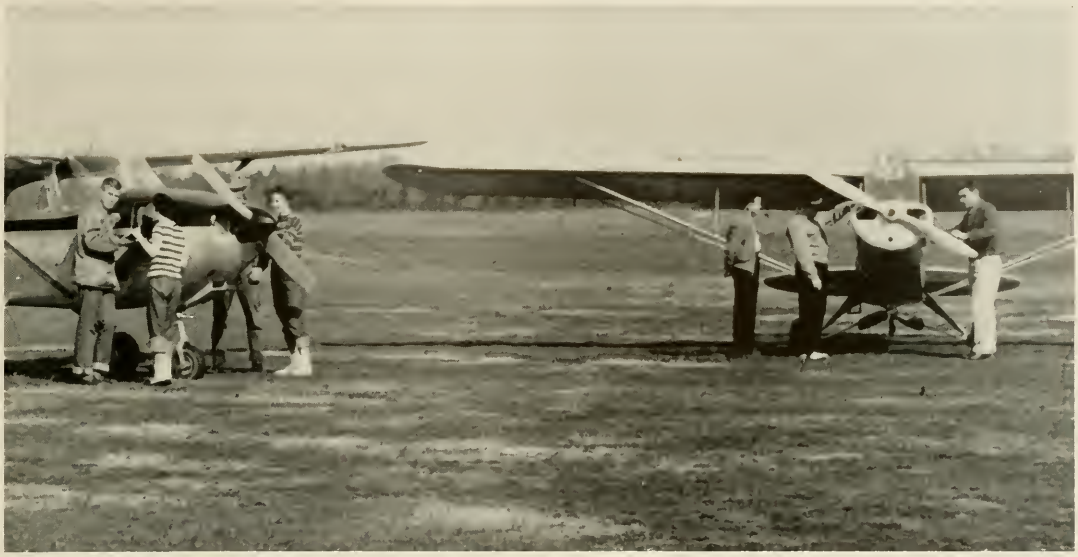
FINE ARTS

Students interested in art, art appreciation and interpretation may take advantage of the courses offered here. J. Fred Reubens serves as head of the department and is asisted by other artists recognized as leaders in the field.

REGIONAL LIBRARY

The basement of the new library is the new home of the Regional Library. This library, under the direction of Miss Sydniciel Shinn, Regional Librarian, serves both rural and urban centers of the Middle Tennessee area. There are two bookmobiles that deliver books and materials over a seven-county territory.

Miss LaVonre Blackman, Mrs. Nan S. Glasscock, Miss Janet Smith, Mrs. Nancy Sharp, Miss Sydniciel Shinn, Mrs. Lady Houston Brown.



AVIATION

Young men and women who are interested in aeronautics can take advantage of the courses offered in this department. MTSC is one of the few colleges in the country that offers full credit through a commercial and instructor's license. But this department does not stop with flying lessons; students are able to obtain technical instruction in navigation, radio, meteorology, and other phases of aviation.

MAINTENANCE

The chief aim of the maintenance crew is to keep the buildings and grounds at MTSC beautiful and clean. The men and women of this crew work behind the scene to contribute to the students' comfort. This is a year round job requiring much work.

Bert Vanoer—ASB *President*

Jane Panter—ASB *Vice President*

STUDENT GOVERMENT

Every student enrolled at MTSC belongs to the Associated Student Body; therefore, being an ASB Officer is by no means a small job. Each spring an election is held, and the students put the candidates of their choice in office for the next year. Much thought must be given to this election because those chosen must have all the qualities of good leadership. It is the duty of these officers to voice the needs and ideas of the student body. This year's ASB is under the direction of Bert Vanoer and Jane Panter.

Shirley Pogue, Secretary; Jane Panter, Vice President; Bert Vanoer, President; Jo Ann Wright, Treasurer; Bill Davis, Attorney-General.

Row 1—Jane Panter, Chairman; Ronald McRady, Glendel Bryson, Joan Startup, Donald McRady. *Row 2*—Don Sharp, Kent Stockton, Peggy Jernigan, Barbara Rogers, Sara Croft, Peggy Waller, Joan Webb.

CONGRESS

The ASB Congress is the legislative branch of the student government. The Congress is composed of four seniors, four juniors, three sophomores, and two freshmen, and is presided over by the Vice-President of the Associated Student Body. The Congressmen meet twice each month to discuss various problems, pass laws to benefit the students. They also work at the polls during all student elections. Congressmen cannot campaign during any election, however, without first resigning their position.

SUPREME COURT

The Supreme Court is the Judicial branch of the Associated Student Body. The members are appointed by the President of the ASB and approved by a unanimous vote of Congress. The court is composed of two seniors, one of which serves as Chief Justice, two juniors, and one sophomore. This court rules on questions of Constitutionality and on any case that is appealed to it by the defendent.

Leland Hewgley, Bob Stinson, Robert Greeson, Chief Justice; Jim Walker, Wayne Tipps.

Row 1—Barbara Rogers, Joanne Wright, President; Mary Jo Collier, Vice-President; Judy Patterson. *Row 2*—Jean Webb, Janet Lewis, Mary Frances Wright, Secretary.

DORMITORY COUNCIL

The group of pretty lassies known collectively as the Girls' Dormitory Council, composed of seven representatives from all the classes, will decide the fate of any girl breaking the rules. Joanne Wright is this year's capable president.

Jones Hall and Smith Hall have men's dormitory councils for regulation of the men's residence halls. These councils are concerned with problems arising in the individual residence halls. When a problem arises that demands further consideration, it is brought before the Inter-Dorm Council, composed of representatives from both Smith and Jones Halls.

Eddie Agee, President; Bill Allen, Raymond Hardy.

Row 1—Jane Panter, Nancy Johnson, Peggy Jernigan, Bonnie Slatton. *Row 2*—Eddie Perkins, Patsy Pemberton, Tommy Coates.

ASB SOCIAL COMMITTEE

The Social Committee is a part of the Associated Student Body. The members work with a faculty committee is planning a varied schedule of social events. The ASB vice-president is chairman of this group.

BOOKSTORE

Conveniently located in the Union Building this store serves many of the student needs. Textbooks, paper, sweaters, cameras, greeting cards, toiletries—are just a few of the items that may be purchased here. Charles Phillips is manager of the bookstore.

Gladys Smart, Charles R. Phillips, Sue Adkins.

INFIRMARY

Any student needing medical attention need only to present himself at the infirmary. A nurse, Mrs. Joyce Dabbs, is on duty 24 hours a day and Dr. Robert Shacklett, college physician, holds regular office hours. The care and attention given by these two during the Asian Flu epidemic last fall is remembered with gratitude by many of the students.

POST OFFICE

One of the busiest centers around the MTSC campus is the Post Office, especially when mail call comes. All the credit should be given to Miss Iree McElroy and her helpers for getting that long-awaited letter from relatives and friends to the students at Middle Tennessee State College.

LUNCH ROOM

Probably the most popular place on the campus is the lunchroom, or as the new one is called, the Terrace Room. Students are employed to serve the customers and to keep the place clean. Over the noise of a blaring juke box, many bits of gossip are passed along. The friendly personality of the manager, Mrs. Audie Travis, makes it a pleasant place to relax between and after classes.

CAFETERIA

Located in the basement of the Union Building, the cafeteria is very popular three times a day Operated by the Slater Food Service Management, Inc., of Philadelphia, Pennsylvania, students are employed to serve the customers. E. A. Broadwell has served as manager since 1955, when the corporation took over the cafeteria.

CLASSES

Our view through the classroom window is frequently obstructed by the many colorful textbooks, symbol of our principal goal, education.

Each of us was born with a certain amount of ability with which to work. Here at MTSC, we are given an opportunity to cultivate our abilities and broaden our interests. From our textbooks, teachers, and fellow students, we develop our powers of reasoning and interpretation.

Classes are not only subjects-mathematics, English, art, or the highly-debated sciences; they are the people themselves. From numerous counties, states, and even other countries, students come to share experiences.

The window of the classes offers an introduction to the people who comprise our student body. Let's meet the people!

SCIENCE DEPARTMENT CONTRACTS FOR THERMAL RESEARCH PROJECT

This year saw the Science Department of MTSC receive a contract from the Office of Naval Research to conduct research on thermal relaxation processes in gases.

The project calls for construction of special equipment which will make possible the measurement of sound absorption and velocity in gases under carefully controlled conditions of frequency, temperature, and pressure.

It was largely through the efforts of Dr. J. Elred Wiser, Department Head, that this contract was secured. Dr. Douglas Shields, assistant professor of physics, is in charge of the project.

Dr. J. Elred Wiser, Department Head, instrumental in securing project

MTSC was proud to have three of its student body in the Miss Tennessee contest. Jean Adamson, Miss Wilson County, was one of the ten finalists. Jean is from Watertown and a sociology major. A possessor of obvious beauty, the talent she displayed was in public oration. She, like the other contestants, won a hundred dollar scholarship to college.

Shirley Pogue, Miss Murfreesboro, was MTSC's second contestant in the pageant. A native of Huntlant, Tennessee, she is a Home Economics major. In line with this, the talent she displayed was in clothes design and modeling. Requirements of the pageant other than talent are beauty and a pleasing personality.

Carol Tyler, Miss Loudon County, was the third beauty from MT SC in the pageant. Lenoir City is the hometown of this English major. Carole's talent displayed in the pageant was dramatic reading. The contest, which served as a preliminary to the Miss America Pageant, gave the girls many unforgettable experiences and brought to MTSC further pride in her student body.

FEATURES

Every photo album commemorates outstanding events—formal dances, fierce ball games, private parties. We at MTSC are especially proud to remember our Homecoming festivities, the ROTC Ball, and the Midlander Formal.

Our most popular activities are those through which we unite with old friends and entertain new ones. The window of features introduces some of our students who have won honors by their contributions to our school community.

The following section relives the colorful scenes and happy days which make MTSC the exciting, living center it is.

Opening it, is MISS MIDLANDER of 1958, Sarah Jane Croft.

MIDLANDER BALL

The selection of MISS MIDLANDER was held in conjunction with the Vets' Talent Show this year. Each class chose four young ladies to represent it in the contest. The panel of judges had a difficult time in narrowing the field to five. Miss Sarah Jane Croft of Tullahoma was then named MISS MIDLANDER.

This contest is sponsored each year by the annual staff with the intent of adding beauty to the School's extra-curricular program. Miss LeEleanor Smith, Associate Editor, served as Mistress of ceremony for the contest this year.

The Tri-Tones, talent show winners, sing at the dance.

Five Finalists for MISS MIDLANDER made final selection difficult.

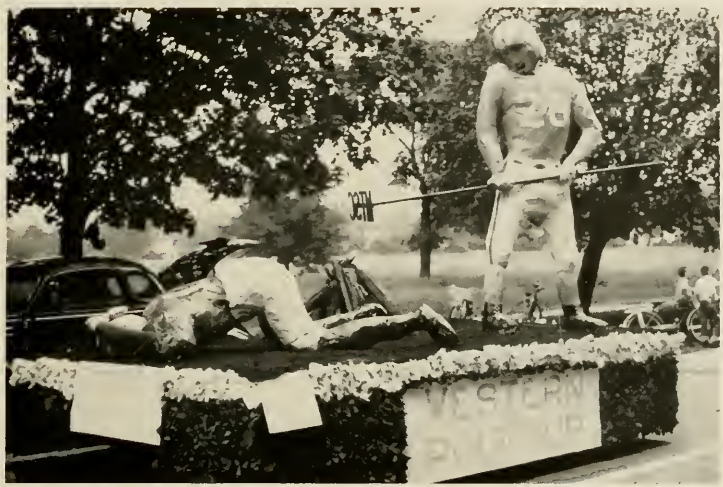
WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES

Thirty students from MTSC received the honor of being elected to "WHO'S WHO" for the year 1957–58. The students elected are known for their leadership, academic achievements, and participation in extra-curricular activities. They were elected by a committee composed of sixteen faculty members and sixteen students. People everywhere recognize membership in this group as a mark of distinction.

HOMECOMING QUEEN

Versatility and comeliness characterize this year's Homecoming Queen—Betty Osteen Hallum. Friendly and possessing a cheerful disposition, it is not difficult to understand that she was selected for "WHO'S WHO" and membership in Tau Omicron, a distinguished honorary sorority. Home Economics is her major and Chapel Hill, Tennessee, is her home.



FIRST PLACE

The Industrial Arts Club float, Western Roundup, took first place in a damp Homecoming Parade. Showers during the previous night and in the early morning threatened to cancel the parade. But under a cloudy sky the decorative floats paraded before thousands of onlookers. The Speech Arts Hawaiian theme float proved good enough for second place while the P. E. club's float gained third position.

QUEEN'S ELECTION

The posters pictured at the left demonstrate vividly the hotly contested race for Homecoming Queen. They also show the spirit and enthusiasm with which MTSC students enter into an election. Having so many fine candidates in the race made a run-off a necessity. The spirit and sportsmanship shown during this contest is typical of that found on the MTSC campus.

ORGANIZATIONS

Peer through a window at any hour after class, and you're almost sure to see an interesting program, a group busy on the newspaper, or a fast-moving party. These varied activities are sponsored by the many strong organizations on the MTSC campus.

A student, whatever his interest, is certain to find a club which will enable him to cultivate his particular ability and enrich his sense of belonging. He may participate in the fields of drama, music and journalism, or become active in student government. Honorary societies stimulate interest in attaining proficiency in many fields. Church groups provide a good foundation for adult religious endeavor, and organizations which stress the student's major field offer training for future professions.

Extracurricular activities aid in the cultivation of the well-rounded personality, and our view through this window indicates that the students at MTSC believe in taking advantage of their many excellent opportunities.

CLASS EDITORS

Work on the MIDLANDER gives the students more than just an opportunity to gain experience in producing a yearbook. They, learn responsibility, teamwork, and leadership. This is done in the preparation of the book, assembling of pictures and copy, and in the constant struggle of meeting the deadline.

There is a feeling of pride on the part of the staff as it watches its ideas become realities. The staff is therefore not a group of individuals, but a unit. It is such a unit that is necessary to produce a worthwhile yearbook.

BUCHANAN PLAYERS

The Buchanan Players, one of our most active organizations, is composed of students who are interested in dramatic and theatrical work.

The Players present a play each quarter. During the fall quarter, "Dial M for Murder" was successfully performed, and in the winter, a comedy, "The Curious Savage." The club members also assisted the music department in the presentation of the opera "Carmen," which drew capacity audiences.

One of the purposes of the club is to discover and develop dramatic ability. In the confusion of rehearsal and production, club members learn not only the difficulties of acting but also those of production.

Row 2: Mr. Lane Boutwell, sponsor; Joseph Bartha, Ted L. Humble, vice president; Bill Davis, Page Chamberlain, Pat Colley, Bobby Little, Bill Sugg, Tim Champlin.

SPEECH ARTS

MTSC has the state's most eloquent speakers. This was proved when members of the Speech Arts Club won the sweepstakes trophy in the state speech tournament. Jean and Joyce Adamson were judged the best women's debate team. Joe Bartha placed second in men's after-dinner speaking. Jean Adamson was named the best woman debater and also won first place in impromptu speaking and oratory, and second in extemporaneous speaking. At the Magnolia Speech Tournament in Mississippi the Forensic team placed second, winning eight Superior and five excellent rating.

PI KAPPA DELTA

Pi Kappa Delta is an honorary fraternity for those who have done outstanding work in the speech field. Founded locally in 1952, this organization has been quite active. Members attended the national convention in South Dakota last year, and during this spring quarter, members traveled to Appalachian State College in Boone, North Carolina, to attend the Southeast tournament.

ALPHA PSI OMEGA

The Alpha Psi Omega is a national fraternity in the field of dramatics. The purpose of this cast is to stimulate interest in dramatic activities in MTSC, to secure for the college all the advantages and mutual helpfulness provided by a large national honorary fraternity, and by election to membership, to serve the student as a worthy reward for proficiency in college dramatics.

CIRCLE K CLUB

A branch organization of the Murfreesboro Kiwanis Club, the Circle K Club was founded on the MTSC campus in October, 1954. Its purpose is to promote leadership, fellowship, education, and good citizenship. Sponsored by Dr. Robert L. Martin and the Kiwanis Club, it offers similar services to MTSC as the Kiwanians offer to the town. "We Build" declares the club's primary intent.

KAPPA OMICRON PHI

The Kappa Omicron Phi Home Economics Fraternity, founded March 3, 1955, for Home Economics majors, has for its motto—"Prove all thigns; hold fast to that which is true, and the truth will make you free." The purpose of this organization is to further the best interests of Home Economics in four year colleges. It strives to develop in women higher ideals of sane living, deeper appreciation for the sanctity of the American Home, and the ambition for social, intellectual, and cultural attainments.

SIGMA CLUB

The Sigma Club, which was founded in 1925, has a long-established reputation for outstanding work. The purpose of this club is to bring about the ascendency of the intellectual and spiritual things of the world rather than the physical and material, and to teach its members to be sincere and reverent instead of false and irreligious.

Row 1: Clayton L. James, sponsor; Jerry Williamson, president; Bobby Stinson, vice president; Garie Taylor, secretary-treasurer. Row 2: Bob Blankenship, John Maddox, Bob Coleman, Ramon B. AGRICULTURE CLUB

Better agriculture through scholarship, leadership and integrity is the goal toward which the Agriculture Club of MTSC strives. The purpose of this club is to promote higher standards of excellence and interest in agriculture, to foster leadership and cooperation among its students, and to maintain a closer relationship between the students and the Department of Agriculture.

"Farmers Frolic" was sponsored this year by the Agriculture Club in cooperation with the Home Economics Club as a means of entertainment and of raising money for the organization. Miss Sara Jane Croft was voted queen.

Row 3: Carol Hanes, Ann Stubblefield, Glenda Newton, Dortha Morgan, Quindal McAdams, Carolyn Mullins, Faye Vannatta, Sue Steagall.

HOME ECONOMICS CLUB

In this club, future housewives and home economics teachers meet to develop leadership ability and to come in contact with people who are successfully practicing the profession.

Bi-monthly meetings of the club present, along with the business session, an educational program, recreation, and various other entertainment. Betty McClain is president; Isabelle Scales, first vice president; Judy Holt, second vice president; Ruth Walkup, secretary; Louise Bishop, treasurer; Ada Blankenship, publicity chairman; Nancy Bagwell, scrapbook chairman.

This year the Home Economics Club, in co-sponsorship with the Agriculture Club, presented the "Farmers' Frolic", of which Sara Croft was voted queen.

INDUSTRIAL ARTS CLUB

This club was founded to stimulate interest in the field of industrial arts. Other purposes of the organization are to further knowledge in the field, to acquaint members with their fellow students, and to stimulate among other students an interest in industrial arts.

Included in the programs are guest speakers and educational films. Parties and socials are planned each quarter.

Alpha Chi Chapter of Epsilon Pi Tau

Industrial arts education enthusiasts were responsible for the establishment of Alpha Chi chapter in 1955. The chapter recognizes outstanding student effort and efficiency in the area and also encourages further interest by "outsiders."

The annual banquet and the spring social are highlights of the year. As a continuing project, the members publish a newsletter for graduate members.

T CLUB

The T Club is composed of any male who has lettered in football, basketball, baseball, golf, track, or tennis at MTSC. The members are easily recognized by the blue sweaters or jackets bearing a white T which they alone are privileged to wear. The purpose of the club is to promote school spirit on the campus.

The club officers for this year are Don Franklin, President; Roy Hall, Vice-President; Carlton Galbraith, Secretary-Treasurer; and Marvin Jinnette, Sergeant-at-arms. Meetings are held in the T Club room in the basement of the gym. Various activities, such as parties, hayrides, and dances are sponsored during the entire year, but the outstanding events take place in the spring. These are the annual picnic at Horn Springs and the All-Sports Banquet. At the banquet, letters are awarded for participation in varsity sports, and the outstanding performers are recognized.

HEALTH, PHYSICAL EDUCATION AND RECREATION CLUB

The Health, Physical Education and Recreation Club, under the guidance of Dr. Francis Riel and Miss Buleah Davis, is composed of students majoring or minoring in these fields.

Organized in 1947, the club provides every opportunity for professional growth and development, promotes school spirit and sportsmanship, endeavors to improve in every way possible one's knowledge of and skills in the profession, increases loyalty to the department, and sets a high standard of conduct at all times.

Social life on the campus is furthered by square dances, bingo parties, and various other club-sponsored activities. Contact with students from other colleges is established through attending the annual meeting of the Southern District of the American Association for Health, Physical Education, and Recreation, and the organization's national convention. The club's executive board is composed of Bob Sharber, President; Glenn Shirley, Vice President; Carl Holder, Secretary; Jeanne Cloer, Treasurer; and Vollie Roddy, Sergeant-at-arms.

GAMA CHI CHAPTER OF PI OMEGA PI

Business is the business of Pi Omega Pi, and profitable service to the world through business education is its special interest. Founded in May, 1954, the organization has made its motto, "Loyalty, Service, and Progress". Programs for monthly meetings are prepared with an eye to helping members better understand the opportunities in their field, to creating better business relationships, and to discovering better methods of studying business problems.

Members are students who have maintained a B average in business subjects and at least a C average in other subjects.

Having sponsored a typing contest in the spring and a Winter Alumni Banquet, Pi Omega Pi adds another eventful season to its book of accounts.

SOCIAL SCIENCE CLUB

With the hope of fostering a more sincere interest in the knowledge of local, national, and international affairs, the Social Science Club was founded in 1951. Its basic purposes are to encourage study and observation of world events and to aid in promoting peace and understanding among governments and people of all nations.

PI GAMMA MU

Only one quarter old is MTSC's chapter o Pi Gamma Mu, national social science honor society. Formed during the winter quarter of this year, the principle objective of the new organization is to develop and maintain an appreciation for high scholastic standards among majors in the social sciences.

STUDENT NEA

The Student National Education Association members gather twice each month to listen to the interesting, educational programs which usually include talks by faculty members, panel discussions, and open group discussions of important educational issues. The purpose of this educational club is to develop professional attitudes and personal competencies on the part of the prospective teacher.

Originally the Future Teachers of America, the SNEA was founded April 17, 1946. The current officers are Mary Lou Givan, president; Mildred Dorris, vice president; Mary Jane Hargrove, secretary; Jo Anne Wright, treasurer; Carolyn Gonce, historian; Alton Smith, parliamentarian; and Imogene Spear, scrapbook chairman. A student who is a member of the local SNEA chapter automatically receives publications from both the Tennessee Education Association and the National Education Association.

VETERAN'S CLUB

Better known on campus as the Vet's Club this group is composed of veterans of the U. S. military forces. The object of the club is to accomplish any worthwhile project brought to its attention by anyone at MTSC, in an effort to bring veterans closer together. Each year the Vets sponsor a "glasses fund" that may be used by any student needing eye correction. A talent show is also sponsored by the Vets in order that the MTSC student might see the talents of his fellow classmates. This group, which adds to the make-up of the MTSC campus, has carried on many other worthwhile projects.

The seventy-four members are led by Kenneth Dedmon, commander; Maurice Massey, vice-commander; Bob Million, adjutant; Earl Birch, treasurer; Clyde Brown, sergeant-at-arms; and Burns Phillips, sponsor.

Row 1: Carl B. Cooper, president; Thomas G. Barnes, vice president; Wallace Snell, secretary; James C. Gordon, treasurer. Row 2: Billy Burke. George Lahde. John Bramblett. Row 3: Frank Lahde, Orie L. Rice, Curtis Mason. Row 4: Glenn D. Hicks, William A. Odle, John S. Wade, Terrell W. Curtis.

ENGINEERING SOCIETY

Designers and manipulators of the "wheels of tomorrow" —today's engineering majors—have created a society for themselves to aid in developing their knowledge of that subject. Other aims of the organization are the stimulation of interest in the engineering profession among the students of MTSC and the furthering of the acquaintance of those students mutually interested in engineering.

BEAUX ARTS

The Beaux-Arts is a group of creative-minded individuals who are interested in art and have formed an organization to further this interest. Sponsored by Mr. David LeDoux and Mr. Fred Rubens, the group meets bi-monthly to discuss and study art.

Row 1: Fred Geer, president; Bobby Hollingsworth, vice president; Wanda Davenport, treasurer; Deanna Cantrell, secretary; Fred J. Rubens, sposor. Rown 2: Robert Mingle, Bill Tucker, Jerry Robinson, Anne Holloway, Pat Hollis.

Members not pictured—Robert Askins, Barbara Scott, Photographers.

CHEMISTRY CLUB

At the weekly meetings of the Chemistry Club, chemists of tomorrow exchange ideas and increase their knowledge of that science. At these meetings students who are working on special projects give demonstrations and talks of interest to their cohorts. Occasionally outside speakers are invited to participate in the program. Besides regular meetings, social activities are planned, and often trips to places of interest are undertaken.

BIOLOGY CLUB

The Biology Club is a group of well-qualified students who concentrate their efforts on projects in the field of biology. This Group each spring sponsors a Stunt Night, thereby bringing into focus the talents of many of the students and faculty members. The program is easily one of the most successful and enjoyable events of the school year.

W. A. A.

The Women's Athletic Association, founded in 1935, is an organization whose primary purposes are to promote interest and participation in intramural activities for girls, foster sportsmanship and good will, and to support school activities. The officers are Bonnie Slatton, President; Suell Dennison, Vice President; Mary Jane Hargrove, Secretary; Eunice Frost, Treasurer; and Mildred Dorris, Intramural Manager; Miss Buleah Davis is the Faculty Sponsor.

AQUATIC CLUB

Long hours are spent by the aquatic club to give MTSC one of its most unforgettable shows of the year. Features of the aquacade are the graceful dives, the comic antics of the clown divers, and the perfected formations of the mermaids who are perfectly synchronized to music. This scintillating performance is one of the highlights of spring entertainment.

Sponsored by Mrs. Betty Littlefield, the club provides a new type of entertainment each year.

The club has worked to beautify the art of swimming and to further its members' acquaintance with the field of swimming and water safety.

KAPPA DELTA PI

Kappa Delta Pi, an honorary fraternity in education open to education majors and minors with qualifying grades, exists for the purpose of promoting a closer bond among students who expect to teach. Nationally affiliated, the fraternity prepares honor rolls and sends them to the high schools of the honor students, holds a banquet in the spring, and attempts to provide educational and entertaining programs.

PRE-LAW SOCIETY

The principal purposes of this organization are to unify pre-law students of this school, to present programs of an informative nature, and to aid in the preparation of pre-law students for law school.

A newly organized group, the Society hopes to enlarge its membership in the near future.

CHORUS

The seventy-five voices of the MTSC Chorus have blended to provide easy listening at a fall concert, on annual tour, in spring concert, and at Baccalaureate service. A most eventful year has proved that its ever-existing purposes of providing choral experiences for the students of the college and an opportunity for the people of Middle Tennessee to hear choral music have been successfully fulfilled.

Officers this year are Bill Medlock, president; Dot Hicks, vice president; Linda Williamson, secretary. Section leaders are Gayle Seay, soprano; Emily Elrod, alto; Richard Turner, tenor; and Robert Keathley, bass.

MTSC uses precision drill in halftime performances.

Mr. Joe Smith, Band Director, installed precision marching this year.

MTSC BAND

Band lines up preparatory to halftime show.

ORCHESTRA

Sweet symphonic sounds strike spellbound souls when MTSC's string-inspired serenades softly surround noncontemplative students. That, in incapable words, describes the effect of the decidedly capable and versatile MTSC orchestra. With Mrs. Rubye Taylor Sanders as concert mistress, this group of select musicians has starred in assembly programs and Sunday afternoon concerts. This year's orchestral officers are Jimmy Vaughn, president; Patricia Caneer, vice president; George Bachman, secretary-treasurer; Gayle Seay, reporter; Richard Hunter, librarian; John McDonald, accompanist. Membership is gained by tryout and is required of every music major.

Peggy Jernigan, Dorothy Hicks, Linda Williamson.

Bill Medlock, Dean Freedle, Garie Taylor, Jerry Williamson.

WOMEN'S TRIO

These talented girls are the pride of the music department. Their purpose is the performance of program material—secular and sacred. Peggy Jernigan, Dot Hicks Price, and Linda Williamson make up the Women's Trio.

MEN'S QUARTET

Another very talented group in the music department is the Men's Quartet. This group is made up of Bill Medlock, Dean Freedle, Garie Taylor, and Jerry Williamson.

SACRED HARP SINGERS

Presenting the folk song of the South, sacred and secular, and the music of the Elizabethan or madrigal period, this group is directed by Mrs. Neil Wright. Its reputation for perfection is well-known throughout Tennessee. By attending the Music Teachers National Association Convention in Tallahassee, Florida, last February, the Sacred Harp Singers brought MTSC into regional musical recognition.

Winter Quarter brought the Varsity Choir and Drama Department's production of "Carmen" by Bizet. Above is a scene from Act I in which Carmen, played wonderfully by Peggy Jernigan, flirts with the local men. The plot concerns itself with her love affairs with various men.

Act II finds Carmen and her friends in a cabaret where she is immediately attracted to a torreador, Escamilio, played very ably by Walter Anderson. Forgetting her love for Don Jose, she brazenly throws herself at him. Their love affair becomes quite famous, thus coming to their ears of Don Jose. He makes a futile attempt to kill Carmen and Escamilio.

CARMEN

Despite the threats Don Jose has made on her life, Carmen decides to attend Escamilio's bull fight. She is widely acclaimed for this show of courage. As her friends enter the arena and she is left alone, Don Jose, admirably played by Jerry Williamson, appears again. Following refusals to leave with him, Don Jose, in anger, stabs her to death. He is mourning his loss as the curtain falls.

Many hard hours of practice are needed in order to present an opera. For this reason the cast is selected early in Fall Quarter and rehearsals are carried on up until the night of presentation in January. Playing to full houses both nights, Carmen is without a doubt the most popular opera ever presented on MTSC campus.

PI MU SIGMA

With an eye for the future and an ear for the present, this honorary music fraternity is characterized by students who excel in musical ability. By promoting a high moral level among musicians so that the dignity of the music profession is maintained, members hope to create an influence for better musicianship, thus attracting better music students to our school.

Among the varied activities sponsored by the organization during the year were several exchange meetings with the Beta chapter of Tennessee Polytechnic Institute, a banquet honoring alumni members on Homecoming Day, and the sending of a representative to the Music Teachers National Association.

MUSIC EDUCATORS NATIONAL CONFERENCE

"Music for every child, every child for music"—thus the slogan of the Music Educators National Conference hints that the advancement of music education is its purpose. The organization is also instrumental in affording music students an opportunity for cooperative and reciprocal professional development.

The activities and projects of the MENC consist of panel discussions on music education problems, entertaining student members at the state convention on the MTSC campus, exchanging programs with other student chapters, and raising money to send delegates to regional and national conventions.

American Student Organ Guild

Remember the enjoyment we all received from the carols played by organists in the cafeteria during the Christmas season? These organists were campus musicians, and the idea was fostered by the Organ Guild. The Guild's motto, "Soley to the Glory of God" *(Soli Deo Gloria)* indicates the primary interest of this group. Established to advance the cause of worthy church music and to raise the standard of efficiency of organists, the Guild can enumerate many other interesting experiences since it was founded in 1947. Typical of these have been attendance at recitals of professional organists and teachers and presentation of numerous organ-instrumental ensemble programs.

Westminister Fellowship

The Westminister Fellowship gives Presbyterian students on the campus a chance for spiritual growth along with fellowship in accordance with its motto, "Worship Plus Fellowship Are Found in the Westminister Fellowship". Delegates from this organization, with students from all over Tennessee, enjoyed the annual spring retreat at Nacome the weekend of April 18–20.

BAPTIST STUDENT UNION

"In His Steps," the motto of the Baptist Student Union, depicts the intentions of its members. As a reminder of this motto, weekly Wednesday night vesper services are prepared and presented by students. The organization acts as a link between the student's home church and his church away from home and attempts to encourage the Christian spirit. Mission projects and weekly visitation programs are undertaken toward this end. In November, a large number of campus Baptists traveled to Memphis to attend a Tennessee-Kentucky Student Retreat.

Instrumental in directing BSU activities are Mary Frances Wright, president; Mary Lou Givan, devotional chairman; Mildred Dorris, promotional vice-president; Sara Jane Croft, enlistment chairman; Ann Porterfield, secretary; Sig Hamilton, treasurer; Ronald Barrett, missions chairman; Thelma McCant, YWA president; Mr. Roy Simpson, faculty advisor; and the Reverend Carl Daw, pastor advisor.

CUMBERLAND PRESBYTERIAN

The Cumberland Presbyterian Student Union meets one night each week in an attempt to provide spiritual guidance for its members. This group joins with the college class and the Cumberland Youth Fellowship at the local church in a "welcoming social" at the beginning of the school year for the new Cumberland Presbyterian students. Various programs of worship and recreation are planned throughout the year to promote good Christian relations.

Noonday devotional meetings are co-sponsored by the CPSU and other campus religious groups. This year's daily 10-minute meetings promoted fun and friendship and encouraged participation in Sunday School, church, and group singing.

Leading the group this year are Joe Thomas McFerrin, president; Barbara Ann Scott, vice president; Carolyn Sharp, secretary-treasurer; Sylvia Garner, song leader; Nancy Bagwell, pianist; Mr. and Mrs. Troy Phillips, sponsors.

WESLEY FOUNDATION

Members of the Methodist Student Movement are responsible for several admirable accomplishments throughout the year. Each Christmas a party is given for the Negro children of the Bradley Nursery. Many members attend several religious conventions in the spring, and delegates are sent to the state MSM retreat and to the religious convention held each summer at Purdue University.

Every Wednesday night members gather for a time of fellowship and worship. Programs are presented by the students, and an outside speaker is often heard. The MSM also exchanges programs with other colleges.

CHURCH OF CHRIST GROUP

Each Wednesday night the Church of Christ group meets in the Lecture room of the Science Building.

Kenneth Hayes, president; Bobby Stinson, vice president; and Joanne Wright, secretary-treasurer, lead the group in carrying out its purpose of promoting Christian activity on the campus and providing guidance in day-to-day living.

Newly organized this year are the Bible classes offered two nights a week for those who wish to have a more thorough knowledge of the Bible. Wednesday night services are planned to supplement the college course and to develop people dedicated to the task of creating a fine Christian community.

STUDENT CHRISTIAN UNION

One of the most active and influential organizations of the campus is the SCU. Its purpose is to offer a chance to all Christian students, no matter what their church affiliation, to worship God in one spirit. The group meets the first Wednesday night of each month, and interesting programs are presented by the students.

Some of the year's achievements were Religious Emphasis Week, noonday devotionals, Thanksgiving and Easter services, and a Christmas project.

ROTC

ROTC regiments in review bring MTSC students flying to their windows and flocking from the dormitories to view the colorful spectacle.

However, the Reserve Officers' Training Corps at Middle Tennessee State College parades only upon special occasions. Most of the time is spent in daily study courses, weekly drill, maneuvers, and practical problems. In summer between the junior and senior years, ROTC men attend camp at Fort Campbell, Kentucky.

Special features of the department are the Sam Davis Drill Team and the honorary division sponsors. Action centers around the modern Nathan Bedford Forrest Hall.

The successful completion of four years' work yields a commission as second lieutenant in the United States Army.

R. O. T. C. CADRE

The R. O. T. C. Unit at Middle Tennessee State College was organized in April of 1950, as an Armored R. O. T. C. Unit. It was later converted to a General R. O. T. C. Unit in June, 1952. Since its organization it has grown into a cadet corps composed of 516 cadets. The cadet corps is composed of a regiment with a headquarters and a headquarters company composed of the Band and the Drill Team. There are two battalions of three companies each.

Each cadet, upon graduation, receives a commission as Second Lieutenant. Each year the cadet crops is inspected by an inspection team from Third Army Headquarters. For the past two years we have received a superior rating. This year the unit was inspected by Colonel Edward P. Thompson, Chief of the Tennessee Military District and it was rated the top unit in Tennessee.

Major Quentin L. McNary and the other members of the instructor group have done a fine job in making this unit one among the best in the country.

This year we have two new officers and two new non-commissioned officers joining the cadre. They are, Capt. Robert E. Nelson, Capt. Merrill W. Harper, Msgt. Leonard W. Huckeby and Sfc. William D. Swartz.

TRACK AND SABRE CLUB

The Track and Sabre Club is an exclusive organization for R. O. T. C. Cadets only. Its purpose is to bind more closely together those who are devoted to a common cause, and who are seeking to reach similar goals. Their major goal is that of a commission as Second Lt. in the United States Army.

The Track and Sabre Club is one of the largest organizations on the campus. Each quarter the club sponsors one social event, but the major event of the year is the Military Ball. The Military Ball is the most important social event held on the campus during the year. In the past it has featured such bands as Tommy and Jimmy Dorsey, Billy May, Buddy Morrow and Ray Anthony.

The Officers of the club this year are, George W. Mills, President; George O. Delk, Vice President; Walter K. Hayes, Secretary; Kenneth Wall, Treasurer and Carlton A. Galbreath, Sergeant at Arms.

Row 1: Juan Spann, secretary; E. G. Ryman, president Glenn Eaden, treasurer; Donald Bale, sgt.-at-arms. Row 2: J. E. Caldwell, A. T. Sampson, Cleveland Dixon, Jon Collius, David Whitworth. Nathan Bedford Forrest Club

Named in honor of a great Civil War personalty, members of the club are all juniors in R. O. T. C. The club was organized to promote recreation and responsibility among the members. Social activities as well as earnest endeavor characterize the boys of this group.

RIFLE TEAM

A group of sharp shooters such as these fire matches with other colleges and universities in the Third Army area. At times they may travel for a shoulder-to-shoulder match or remain home and fire a paper match. Members of the team have to practice in their spare time. Their accomplishments has brought much pride to MTSC.

FEDERAL INSPECTION 1957

Each spring a group of Third Army officers inspect the Middle Tennessee State College R.O.T.C. Regiment. This is the highlight for the military personnel. A rating isn't given on drill performance alone, but on the classroom facilities and instructors as well.

After working on their performance for most of the year, they pass in review and receive awards. For the past three years MTSC has received a rating of "Outstanding". It is hoped that they can continue to do so.

SPORTS

The athletic representation of Middle Tennessee State College, doing battle under the historical nickname of "The Blue Raiders", compiled an impressive record this year. In the Ohio Valley and the Volunteer State Conference competition, our men competed with other college teams in football, basketball, baseball, track, golf, and tennis.

This athletic activity promotes school spirit as well as athletic skill. Contact with students from many other colleges offer opportunity to compare our ideas and activities with theirs.

The most popular centers of sports interest on the MTSC campus are the football stadium, large gymnasium, and modern natatorium. Here students find recreation and healthful competition, which aid in character building.

The window of sports welcomes every one who loves them as we, the Raiders, do.

FLORENCE STATE

Middle Tennessee State's Blue Raiders jumped on a strong Florence State eleven in a great display of defensive football. Lightening-like halfback Bucky Pitts and sophomore quarterback Bobby Tillman stood out particularly in the shutout win. G. E. McComrack scored the season's first touchdown when he took a 35 yard pass from field general Bob Hallum in the first period.

A holding penalty nullified one of the most colorful runs of the season when Pitts sprinted 95 yards on a punt return. Two of the Raider scores came on plunges by Tillman and the other two six pointers came through the air via the potent Raider passing attack.

Lineman wearing the Blue and White were tremendous in their display of defensive strategy—stopping the Lions five times inside the Raider 25 yard stripe.

JACKSONVILLE STATE, ALA.

Two weeks after the opening victory of the season, the Raiders outplayed a stiff Jacksonville State football club in the home opener and won by a 25—0 margin. In this warm weather contest, the Gamecocks did not cross the Raider 40 yard line, and they got only two first downs to the Raider 19.

A sparkling 40 yard gallop around the left end by flankback Ray Purvis brought roars from the hometown fans just as the first half ended. Punt-blocking guard Harold Greer was the defensive hero as the little lineman broke through to block two Jacksonville kicks.

The Raider defensive wall was so stout that the visitors from Alabama did not get over 10 yards on any one play throughout the entire contest.

WESTERN KENTUCKY

Before 5,000 homecoming fans, the Blue Raiders, rocketed by the arm of field chief Bob Hallum and the accurate receiving hands of giant flankman Jerry Hurst, rolled to a 26—7 triumph over a sharp Hilltopper outfit. The Blue club pounced out front by a 13—0 score early in the first quarter and was never headed.

With the style of a professional, Hallum let go with three scoring throws, with Hurst grabbing two of those and setting up another score with his recovery of a 'Topper fumble. The most scintillating run was Hallum's 69 yard race down the sidelines in the third period, even though he was stopped short of scoring.

Western's lone six-pointer came on a 59 yard dash up the middle by a Hilltopper halfback.

EASTERN KENTUCKY

Five first half touchdowns by the Blue and White topped anything Eastern Kentucky could produce and gave MTSC 35 -14 OVC conquest. This win put the Big Blue into the Ohio Valley Conference lead to stay.

Touchdown scores by reserve fullback Gene Windham and number two scatback Ray Bell led the scoring forays. Windham tramped his way for 45 yards after a lateral pass from Bucky Pitts, and Bell crossed into pay dirt with a 20 yard toss from Bob Hallum. Other six-point marks were chalked up by Hallum, Buck Rolman, and Ray Purvis.

A total of 34 Raider gridders were used in the contest by Coach Murphy.

Both Eastern Kentucky touchdowns came in the last half when crashes of four and two yards produced the Kentuckians' markers.

It wasn't easy, but literally from the opening whistle, the Raiders led a rough and tough Chattanooga club and won by a 20—6 score.

Captain Buck Rolman brought the crowd of 7,000 cheering people to their feet with a 90 yard touchdown return of the opeinig kickoff. Then, with exactly two minutes remaining in the first half, line-busting fullback Roy Hall scatted straight up the middle of the field behind a Jerry Hurst block for a 73 touchdown scamper.

During third period play Bob Hallum flipped a 30 yard scoring pass into the hands of end G. E. McCormack. A fourth down one-yard plunge, following a 36 yard pass play, brought the moccasins from Chattanooga their lone score.

Defensive play on the part of the Big Blue linemen was outstanding, guards Lester Rizor, Harold Greer, and tackles Ralph Massey and Don Franklin playing particularly outstanding games.

E. Tenn.'s efforts finally succeed in halting Rolman.

MOOREHEAD STATE

Blue Raider gridders achieved their sixth straight win of the season and their third Ohio Valley Conference victory by an 18—6 mud-marred battle with Morehead.

Playing in the wake of a rain and snow storm, the club was guided by field engineer Bob Hallum on a 72 yard drive to the first six-digit counter, scored by Hallum. Halfback Ray Purvis was another offensive star, one touchdown pass and figuring prominently in the other drives. The third score came on a 24 yard pass from Hallum to G. E. McCormick.

Defensive work on the parts of Bill Hall, Ralph Massey, Don Franklin, Harold Greer, and Jerry Hurst was particularly noteworthy.

Morehead's single touchdown was produced when an Eagle intercepted a Raider pitchout and went 35 yards for the score.

For the seventh time during the season, victorious was the word to describe the Middle Tennessee Blue Raiders as they swept by the Governor crew 14—0, again playing on a muddy field. The game was scoreless at halftime, but early in the third period a side-stepping, 14 yard end sweep by right halfback Ray Purvis gave the Raiders a lead they never relinquished in the crucial contest.

Three minutes after Purvis' score, guard Harold Greer picked off a Governor aeriel at the Raider 30 and dashed for 70 mud slinging yards for six more points. The Governors once reached the seven yard line, but at that point the Big Blue held for downs.

MURRAY STATE

In their fourth Ohio Valley Conference win, the Blue Raiders fought out of a sluggish first half performance to hammer out a 22—0 victory over a tough group of Thoroughbreds.

Halfbacks Buck Rolman and Ray Purvis led the Raider offensive. After sizeable sprints by the two scatbacks, Bob Hallum passed seven yards to Purvis for the first score. Purvis also scored the second touchdown, this time by a nine yard dash around end.

Bucky Pitts scored the third and final touchdown on a jumping 26 yard scamper. The two point safety came when the Thoroughbred quarterback stepped out of his own end zone while attempting to punt.

EAST TENNESSEE STATE

Flashing a powerful offense, the Raiders rolled past East Tennessee State by a 33—7 score. Immediately following this victory the Raiders were ranked number one in the nation in small college football.

When the game was only two minutes old, the Buccaneers scored on a 26 yard pass play. But after eleven minutes of the contest had elapsed, quarterback Bob Hallum sneaked over for the first Raider score. Then a run by Rolman set up the Raiders' second touchdown, with the score itself coming on a 39 yard pass from Hallum to Purvis.

The Raider ground game was spearheaded by repeated lengthy sprints by Rolman and Pitts. Rolman, Pitts, and Tillman scored one touchdown each for the Big Blue.

TENNESSEE TECH

In the annual Thanksgiving day game with TPI — in which a bitter a rivalry as exists in college football is fought out on the football field — the Raiders slithered to a mud-caked 22—0 victory, thereby securing their second consecutive OVC football championship.

Raider fans witnessed the final performance of twelve seniors in a display of splendid defensive football. In this rain-sprinkled, final contest of the season, the play of Captains Buck Rolman and Ralph Massey was especially noticeable.

Signal caller Bob Hallum took charge of the offense, scoring two touchdowns and booting a 12 yard field goal to guide the club to its tenth consecutive win, a win which gave the Middle Tennessee State Blue Raider football team its first undefeated season since 1935.

RAIDERS SET ENVIABLE RECORD

First in national ratings among the small colleges in the NAIA poll, the MTSC Blue Raider team was described by a Nashville sports writer as "undefeated, untied, and untested". It was the first undefeated team at MTSC since that of 1935 when our first Little All-American, Charles Murphy, was a backfield ace.

This year Coach Murphy ran his record at MTSC to 79 victories against 29 defeats and six ties. He and his assistants saw three players chosen for national All-Star recognition and three others chosen for honorable mention.

The undefeated Raiders repeated their 1956 championship of the Ohio Valley Conference, and for the sixth time won the Volunteer State Athletic Conference title. The team was forced to decline an invitation to play in the NAIA "Holiday Bowl" at St. Petersburg, Florida, when the NCAA refused to approve the rival organization's post-season contest.

Quarterback Bobby Hallum led the Raider scoring with eight touchdowns, five extra points, and one field goal. Halfback Ray Purvis led the Raider ground-attack, carrying the ball 64 times for 490 yards.

Jerry Hurst, end, was selected for the Associated Press "Little All-American" second team. Ralph Massey was named as a tackle on the Williamson Rating System "Mid Bracket All-American". G. E. McCormack was selected for the NAIA "All-Star" first team. All of these received honorable mention on other ratings, as did Hallum, halfback Marvin Rolman, and guard Harold Greer. The Big Blue dominated the All-OVC by having six men placed on the first team and three on the second. Players receiving first team recognition were: ends Jerry Hurst and G. E. McCormack; tackle Ralph Massey; guard Lester Rizor; quarterback Bobby Hallum; and halfback Marvin Rolman. Selected for the second team were center Bill Hall, guard Harold Greer, and tackle Don Franklin.

BASKETBALL

COACH ED DIDDLE

MTSC's Raider basketballers rambled through an up and down 1957-58 cage season to wind up the 21 playing dates with an 11 won, 10 loss mark.

In his sophomore year as cagemaster, Coach Ed Diddle fielded a squad of pretty fair hardwood stompers to compile his first winning season as a coach in the college ranks. This, along with the victory over Western Kentucky, his alma mater, which coached by his famous father Ed Diddle, Sr., highlighted the season's activities.

The seasonal loss of forward John Price with an ankle injury hindered the squad outrageously as the so-called "jumping jack" was expected to be one of the better OVC hoop throwers. An ankle fracture also sidelined center Jerry Hurst for eight contests. The huge rebounding artist was greatly missed by the Blue.

A rather colorful slate of 21 battles justified the clubs falling short of their opponents total point output for the season as the Raiders scored 1515 points compared to the other clubs 1543 digits. The Blue out-rebounded their foes by coming off the boards 1234 times to the opposing forces 1053.

Game averages showed that the Raiders scored on the average of 72.1 nicks per fight with the foes flipping 73.5 through per game. The club led on the boards with a 58.8 per game dot to the opponents 50.1.

Four members of the first five ended the season's slate with averages ranging in the double bracket. Forward Bob Williamson led the men in blue on the scoring side with an average of 17.3 markers per contest and a total of 364 points for the season. Frank "Slim" Davis with that basket ripping jump shot closed out his collegiate career with a 15.4 average and a total of 323 bucket numbers.

Big Jerry Hurst performed in his gigantic manner to lead the club on the boards with a 17.1 per battle, while averaging 12.1 dashes on the point side in only 13 games. Dickie Baugh rounded out the year with a 15.3 scoring mark per contest.

Graduation calls for two of the Blue and White starters this year as forward Frank Davis and center Jerry Hurst depart via the degree route. Along with the present squad, a couple of transfers, and the finest baby Blue outfit in years, the Blue Raider coach shouldn't loose too much sleep over next years Raider basketball team.

TENNIS

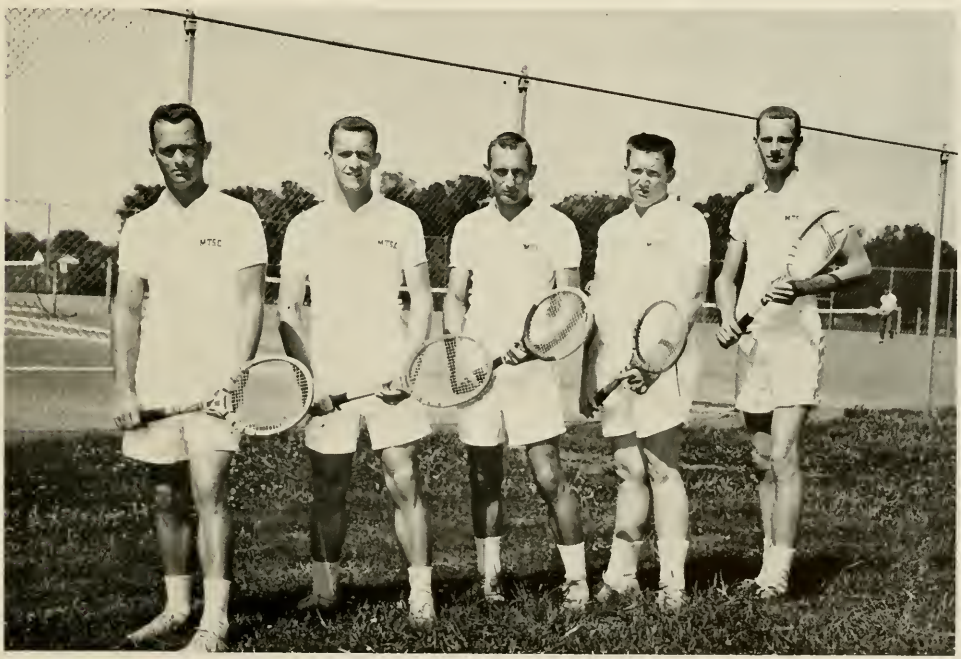
The 1957 Blue Raider tennis squad was composed of Captain Joe Buchanan, who won his third letter, Max Horton and Bobby Cranford, who earned second letters; and Charles Anderson, Bob Brown, and Bob Hallum, who gained their first varsity letters. Hampered by inclement weather, the team had difficulty preparing for its schedule, which resulted in a two-won, eight-lost record. The season was highlighted, however, by several sparkling individual performances.

Joe Buchanan, playing the key number one singles matches, surprised several highly favored foes with a sharp net attack and earned the respect of teammates and opponents. Joe reached the quarter-final round of the OVC tourney before bowing to an eventual finalist.

Cranford and Brown parlayed tremendous wills to win, turning unconventional styles into some fine efforts. Both had their best day against Western Kentucky, when Cranford came far behind to win, and Brown, facing a far more experienced opponent, fought off seven match points with sheer determination before succumbing in a marathon final set on which depended the team match.

Anderson, Horton, and Hallum will be returning this season, and their performances promise brighter things to come for MTSC tennis. Anderson compiled the best individual won-lost record in 1957. Horton's blistering service, backed by an improved ground game, should carry him far in the years ahead. Hallum, better known as a football player, has the potentiality of becoming an excellent player as he gains experience.

Joe Buchanan, Bob Cranford, Bob Brown, Charles Anderson, Max Horton.



Coach Charles Greer's baseball team finished the 1957 season with a record of seven wins and nine losses. They were tied with David Lipscomb for the Western Division championship of the Volunteer State Athletic Conference but the team dropped a thriller to the Bisons 8 7, and were eliminated from the race.

G. E. McCormack, Raider catcher, led the Big Blue in batting with an average of .443 in sixteen games. He was followed by Captain Buck Rolman, who averaged .385 for the season.

Of the 90 RBI's produced by the club, McCormack, whose 27 hits out of 61 times at bat included four doubles and five home runs, batted in 21. The 28 bases stolen during the season played an important role in the eight triumphs. Bucky Pitts led in this department with nine, while McCormack and Rolman had five and four respectively.

Jerry Hurst was the most successful moundsmen for the Raiders, as he captured four wins against one defeat.

Other players batting over the .300 mark were Ray Purvis .314, Eddie Agee .313; and Ed Price .310.

TRACK

Raider trackmen wound up the 1957 season with a 7-0-0 mark and smashed nine school records in finishing out their third year of Track and Field at MTSC. Under Coach Joe Black Hayes, the squad was glorious during the season, but they found themselves in fifth place in the Ohio Valley Conference's ninth annual track and field meet, held on the MTSC campus.

During the season, Ed Carson cracked three marks in running the 120 low hurdles in 15.6, racing the 220 low hurdles in 25.2, and jumping 22′ 1/2″ to break the broad jump record.

Lanky sprinter James Frost broke the old record in the 440 and 880 yard dashes with times of 51.5 and 2:03.9 respectively.

All-around athlete Jerry Hurst proved to be the number one javelin thrower in twirling the long, spiked object 151 feet. Hurst also won the high jump crown in the OVC event by sailing upward 6 feet.

Bob Reed ran the mile in 4:46.2, with Larry Askins, Ernie Ryman, Lee Primm, and James Frost all sharing the mile relay mark with a record time of 3:35.6.

Although a relatively new sport at MTSC, track is becoming one of the bigger sports programs on the campus.

Coach Elbert Patty's golf team showed great skill during the 1957 season on the fairways by copping one tournament and finishing second and third in two others. The Big Blue had three of their four aces back from the 1956 title winning team which coped the OVC, VSAC, and TIAC championships. These are captain Marty Graham, David "Doc" Tant, and Richard Smith. These, along with Jimmy Rager, completed the Raider foursome.

In regular season competition, MTSC broke even winning four and loosing four, while in tournament play, they captured the Volunteer State Athletic Conference title with a low of 277, and placed second in the Ohio Valley Conference behind Western Kentucky. Fairway viewers saw the Raiders take third place in the TIAC before bowing to Memphis State University and the University of the South, who placed one and two respectively. The Blue Raider foursome participated in the Southern Intercollegiate Tournament in Athens, Georgia where they ranked high among some of the top golf players in the nation.

REVIEW - 1957

Middle Tennessee State's athletes can look back on 1957 as a year they will remember for a long time to come as one in which tremendous accomplishments were made in the field of sports. Four trophies were won by the 1957 teams and old records were broken and new marks set.

Baseball and Tennis were the only sports that didn't bring recognition to the school so for as trophies and championships were concerned, but they had individual athletes that could hold their own against the best in the OVC and VSAC conferences. G. E. McCormack, Blue Raider catcher, established himself as the best catcher in both conferences as he hit over the .400 mark in 16 games, and captain Buck Rolman was not far behind as he smacked the ball at a click of .396.

Joe Buchanan and Bobby Cranford were the mainstays in the tennis competition as they were instrumental in placing MTSC fifth in the OVC title play.

Track, a relatively new sport at MTSC, came to the front with successful season as the team won seven meets to go undefeated in regular season competition. Ed Carson, the phantom of 120 and 220 high and low hurdles emerged as the number one point producer for the Big Blue with 90 ¾, while co-captain Marvin Jinnette, star dash man and relay team anchor man placed second with 85 ¾.

The Raiders placed fifth in the Ohio Valley Conference track and field meet just eight points from the top point producer Eastern Kentucky, which captured the meet with 39.

Carson won first place in the low hurdles but had trouble clearing the highs and placed third, while David "Bucky" Pitts, the Fayetteville flash, finished third in the 100 yard dash behind the sensational Olan Cassel, ETSC, who broke the conference record with a 9.7 performance.

Bucky stayed even with Cassel for about 60 yards but ran out of gas as they approached the finish. Olan, later in the summer, participated in the AAU track and field events at Dayton, Ohio, where he tied the 220 yard dash record.

Jerry Hurst tied Leo Cooper, ETSC, and Kenneth Thompson, Morehead, for first place in the high jump to add 4 points to the Big Blue total of 31.

Golf was in the spotlight in two conferences placing second in the Ohio Valley tournament and taking the Volunteer State Athletic Conference championship easily.

David "Doc" Tant, a golf star on the links in and around Nashville, cracked the Stones River Country Club course record with a sizzling five under par to pace the Raider attack for the VSAC championship.

The most spectacular accomplishment on the fairways, as for as individual effort was concerned, goes to Marty Graham, who scored a hole in one against the University of the South, only to lose the match to Crawford Flowers 71 to 73.

Football, which brought publicity to Middle Tennessee State College from all sections of the nation, has gone in the record books as the best ever produced in the history of the school.

The Big Blue re-enacted an old 1935 record by going undefeated in 10 games, which saw them emerge as the number one small college team in the nation, according to the NAIA rating with no place to display their ability and fortune in a post-season attraction usually awarded a team of its caliber.

It enhanced the record of coach Charles M. Murphy to 79 victories against 29 defeats and six ties over the eleven year span he has been head mentor of his Alma Mater. He and his assistants saw three players chosen for national All-Star recognition and three others receive honorable mention—an accomplishment unparalleled by any team in the past.

Jerry Hurst, end, was placed on the Associated Press "Little All-American" second team. Ralph Massey was named as a tackle on the Williamson Rating System "Mid Bracket All-American". G. E. McCormack was selected on the NAIA "All-Star" first team. All of these received honorable mention on other picks as did quarterback Bobby Hallum, halfback Marvin "Buck" Rolman and guard Harold Greer.

Not only were the Raiders undefeated, untied and untested but they repeated their 1956 championship of the Ohio Valley Conference and for the sixth time won the VSAC football title. They dominated the All-OVC team by having six men placed on the first unit and three on the second team squad. Players receiving this honor were ends Jerry Hurst and G. E. McCormack; tackle Ralph Massey and guard Lester Rizor, plus two outstanding backfield stars in quarterback Bob Hallum and captain Buck Rolman.

Athletes being selected for second team All-OVC recognition, were center Bill Hall, guard Harold Greer and tackle Don Franklin. Hurst was the only man on the team that was a repeater from last years OVC pick.

MTSC was forced to decline an invitation to participate in the NAIA "Holiday Bowl" at St. Petersburg, Florida, when the NCAA refused to approve the rival organization post season attraction.

Table Tennis is another intramural handled by the WAA. Round Robin tournaments are offered in several of the sports.

Boys are automatically placed on an intramural team upon their entrance to MTSC. From that time on they are not only eligible for intramural activities, but are encouraged to participate on behalf of their teams. Intramural Director for this year was Glen Shirley. It was his job to plan and carry out as many activities as time permitted. Aided by a staff of captains representing each team, one of the finest Intramural programs of recent years was presented to the students this year.

ADVERTISERS

Murfreesboro store windows have always fascinated students here at MTSC. Not only are we interested in the windows, but we like to patronize their interiors as well.

Through the years, friendship and understanding have developed between the college young people and the people of Murfreesboro until today we act as one. Business establishments, churches, and homes, are open to the students, and we, in turn, offer our cultural facilities.

EDITOR'S NOTE

You have just completed the 1958 edition of the MIDLANDER. Within its pages we have tried to present a concise picture of the year just past. It is the activities and accomplishments made by you, students and faculty alike, that we have tried to preserve through picture and print. To do this required the work of many people, some of whom you saw pictured on the staff pages earlier in the book. It is to them that you and I owe a sincere thank you.

Others to whom I would like to say a special thank you include Mr. Gene Sloan and Dr. William Beasley for their criticism and help in time of need; Mr. Ben Shields of Ambrose Printing Company, our printer, for his interest and advice; Mr. Rouben Gulbenk of Gulbenk Engraving Company, our engraver, for his interest and assistance; and to the Publications Committee for its advice and encouragement. Of course without photographers the book wouldn't have been possible, so I am deeply grateful to them, Robert Askins, Staff Photographer; Ed Delbridge, Dr. Bealer Smotherman and Jimmy Carnahan.

The MIDLANDER Staff hopes that this book will bring fond memories to you in the years ahead. It is our desire that you recall your years spent at Middle Tennessee State College with pride and happiness.

Charles Riley, Editor
